On the ball with the Managerial Team

Welcome to today's visitors Nottingham Forest as the Wanderers return to Burnden Park after three consecutive games away from home.

Their last game in front of their fans was the fifth round of the F.A. Cup when they earned a 1-1 draw against Arsenal - the first of three games in a row against the London club.

After the defeat at Highbury in the replay, Stan Anderson made a number of switches in his line-up and the club's record buy, Len Cantello who came from West Brom for a reported £350,000 was placed on the transfer list.

Mr. Anderson gave youngster Phil Wilson his first senior chance in the League game at Arsenal and Polish striker Tadeusz Nowak, whose appearances in the first team had been strictly limited, was also drafted into action.

Wilson impressed in his debut, but again the Wanderers were on the losing side.

Then came the visit to Manchester United on Wednesday - the side against which the Wanderers completed the double last season. But goals from Gordon McQueen and Steve Coppell gave victory to the Old Trafford Club.

The Wanderers, however, had their chances and were unlucky to concede the second goal with some of the players confused as to whether or not the referee's whistle had gone before Coppell broke clear to grab the second.

Chances were created and this was most encouraging from the Bolton point of view with the Wanderers having had something of a goal famine of late.

Mr. Anderson has been ringing the changes in an attempt to find the right blend of youth and experience - and today's game is likely to prove to be yet another stern test.

Forest's exploits over the past few seasons have been tremendous and they are certain to be a tough test for the Wanderers with their £1m player Trevor Francis having grabbed a hat-trick in his last outing against Manchester City.

The Wanderers are struggling to regain their confidence and a good result today will go a long way towards helping them to do that.

Welcome to NOTTINGHAM

Nottingham Forest have set English football a completely new set of standards over the past three years, breaking almost every worthwhile record. Within two seasons of regaining their First Division status, Forest won the League Championship and the European Cup.

In two weeks time they have the chance to become the first club ever to lift the League Cup three seasons in succession when they face Wolves at Wembley.

Though their chances of winning the League Championship have faded, Forest are also through to the quarter-finals of the European Cup. Much excitement still lies in store for them.

Forest's League form has been disappointing. The sale of Archie Gemmill to Birmingham last summer left a void that took a long time to be filled in mid-field, while the departure of striker Tony Woodcock — at a point in time when he had touched his peak — for his new challenge with Cologne left the attack looking decidedly unbalanced.

Manager Brian Clough did buy Asa Hartford as a straight replacement for Gemmill but the move was not a success. Hartford moved on to Everton and Forest played on with a patched-up midfield until the recent purchase of Stan Bowles from Q.P.R. for £250,000.

Forest's demise can only be labelled a failure by their own high standards, of course. Winning two rounds in the European Cup, and surviving to the final of the League Cup were both fine achievements.

Forest usually line-up in 4-4-2 formation with Trevor Francis and Gary Birtles in attack and a middle line of John McGovern, Martin O'Neill or Ian Bowyer, Stan Bowles and John Robertson.

The back four usually comprises Viv Anderson, Kenny Burns, Larry Lloyd and Franky Gray, internationals all. Peter Shilton, of course, is their goalkeeper.

Nottingham Forest have won everything they've entered since Brian Clough took over as manager — except the F.A. Cup. The Anglo-Scottish Cup, promotion from the Second Division, the League Championship, the League Cup (twice) and the European Cup have all graced the City Ground's trophy stand.

Sadly, the F.A. Cup has eluded them again. They were beaten 0-2 at home by Liverpool in the fourth round though they later gained full revenge by ousting the Anfield men in the semi-final of the League Cup.

Until their recent era of unprecedented achievement, the trophies had come only at very lengthy intervals. The club was founded in 1865 and elected to the Football League in 1892. It was in 1898 that they won their first major honour — the F.A. Cup.

In the League they spent their time hopping between the top two divisions until 1949 when they sank into Division Three for the first time. It took them two years to jump back again but it wasn't until 1957 that they returned to Division One. They dropped out again in 1972.

It was in 1977 that they won the Anglo-Scottish Cup and gained promotion back to the First Division. Their League Championship success a year later gave Forest that honour for the first time in their History.

Forest created another record by becoming the first British club to win the European Cup upon their first entry. They also became the first club ever to win the League Cup two seasons in succession and they have now stretched their unbeaten run in the League Cup to 25 matches — easily a record for this competition.

It has been suggested that, if Forest do win at Wembley in a fortnight, they might be awarded permanent possession of the League Cup trophy. It would be an apt reward for a club that has so dominated the tournament for three years.

Garry Birtles, Nottingham Forest.

Pen Pals Wanted

Junior Whites member Angela Charleston of Farnworth has written to club president Alan Gowling offering a chance for four Bolton fans pen-friends in Birmingham, with former Bolton favourite Frank Worthington the link.

Here is Angela's letter:

Dear Alan, I am writing to ask if you can help me.

When Frank Worthington left Bolton and joined Birmingham, I was very upset because Frank was my favourite player. So I decided to write to Birmingham to see if they could fix me up with a pen-pal.

They printed my letter in the programme and I got eight replies. I am now writing to one of them and I have passed a couple of addresses on to my friends.

I have four addresses left and I wondered if anyone in the Junior Whites club would like to write to these people. Please try to help me as I would not want to disappoint these people.

This may help relations between fans of opposing teams if they write to each other.

Please try to help.

Well Alan passed the letter onto us and below are the four names and addresses:

James Noyle,
9, Goodison Garden,
Birmingham.

Carl Williams,
31, Mountjoy Crescent,
Solihull,
West Midlands.

Simon Hathaway,
13, The Crescent,
Solihull,
West Midlands.

Clare Hatton,
22, Elmtree Road,
Streetly,
Sutton Coldfield,
West Midlands.

So if any members of the Junior Whites wish to take up the chance of a pen-pal who supports Birmingham City, why not drop a line to one of the above addresses?

Any member of the Junior Whites who has any news which might be of interest to other young Wanderers fans should contact the organiser Magaret Rowlinson at the Burnden Executive Club or telephone Bolton 29433.

We will be glad to hear from you.

All Wanderers outstanding League fixtures, postponed earlier in the season of the bad weather and Cup commitments have now been re-arranged as follows:

Norwich City at home, Tuesday March 11.

West Bromwich Albion away, Tuesday March 18.

Coventry City at home, Tuesday, April 15.

(All kick off 7.30 p.m.)

And fans are again reminded that the home League fixture against Derby County, which was originally scheduled for Friday, March 14 was re-arranged some time ago and is now on the following day, Saturday March 15.

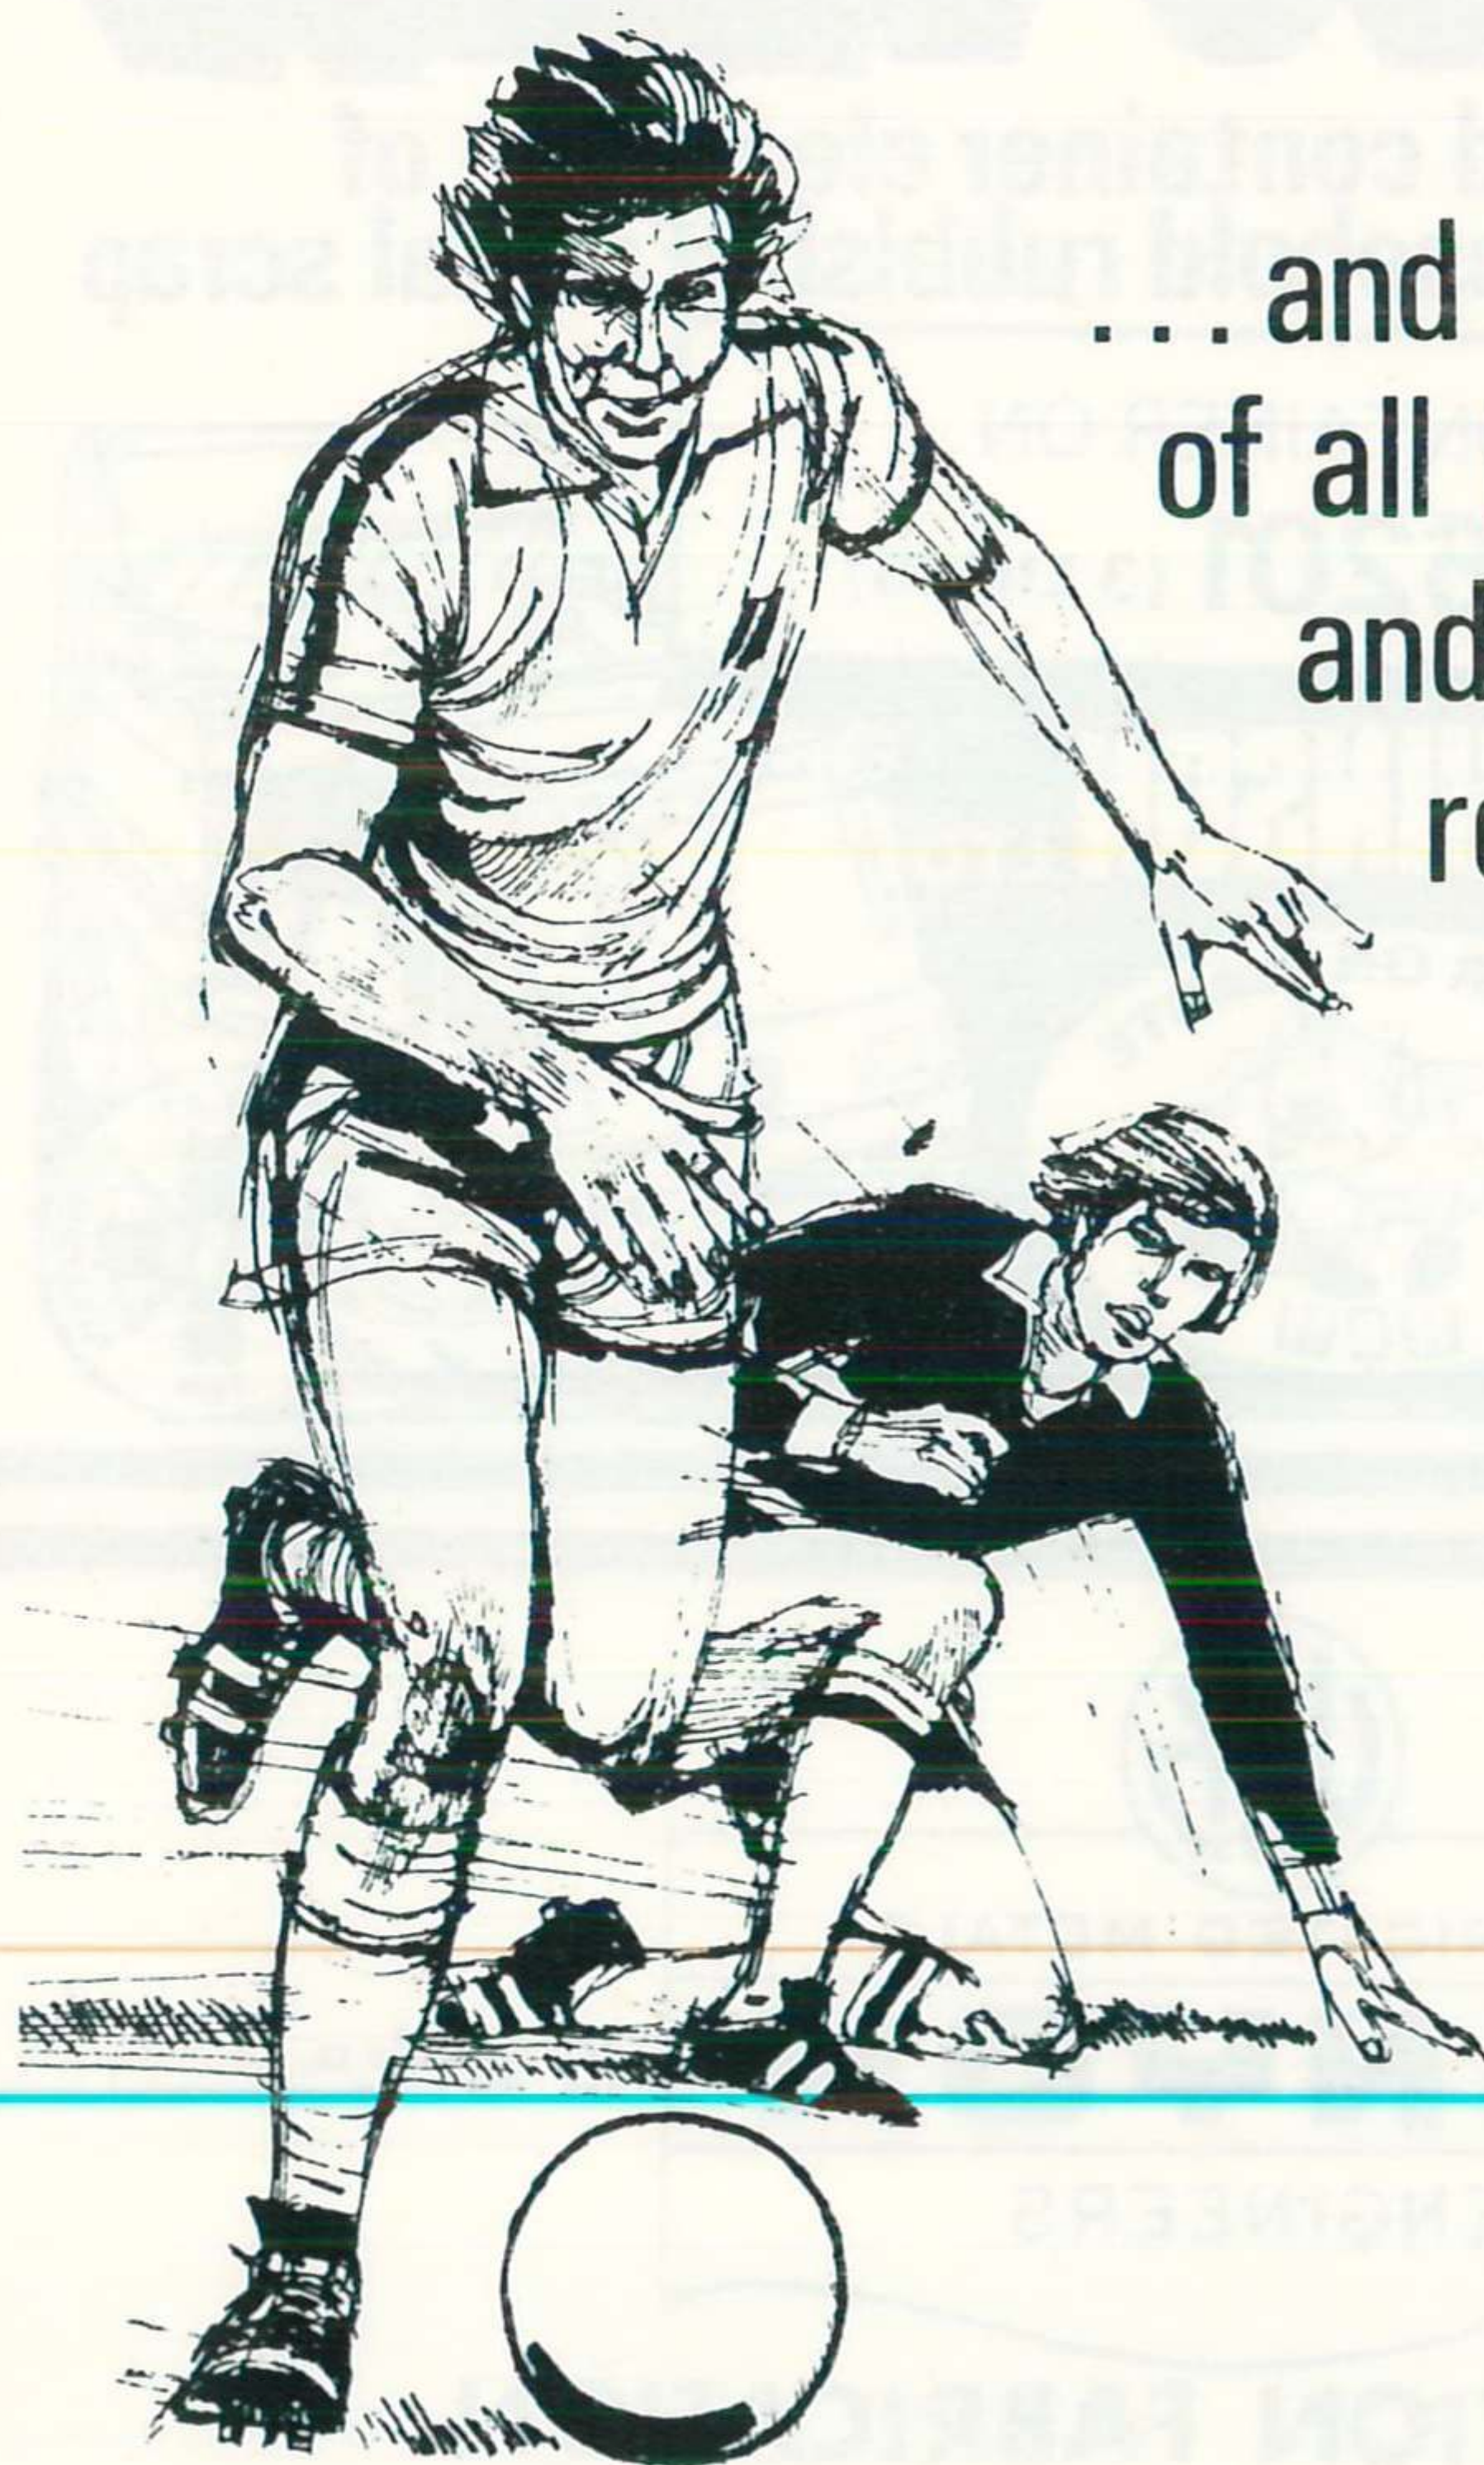

Supporters who like to keep in touch with Reserve team affairs are reminded that all home Central League matches played on Saturday afternoons kick-off at 2 p.m. This arrangement will continue for the rest of the season.

One outstanding Central League fixture, the home game against Coventry City Reserves which was postponed on January 19, has been arranged for Tuesday, April 1 kick off 7 p.m.

PETER SHILTON (Goalkeeper) Forest completed Peter's transfer from Stoke for £270,000 two seasons ago. He began his career with Leicester and Stoke had to pay £340,000 to sign him. He won his 29th English cap against N. Ireland in October.

VIV ANDERSON (Defender) Viv last season became the first black man ever to play in the full England team and he now has three caps. Viv has also played for the England "B" and under-21 teams. He has been in the Forest side since 1975.

LARRY LLOYD (Defender) Larry, who started with Bristol Rovers, played for England after transferring to Liverpool in 1969. He later went to Coventry before signing for Forest in 1976.

KENNY BURNS (Defender) Kenny is a former Birmingham striker, but he is now Scotland's regular centre-back with 17 caps. Forest paid Birmingham £150,000 for his transfer in 1977.

FRANKY GRAY (Defender) Franky spent his early years with Leeds United, making his League bow in 1973. He went on to total more than 200 first-team appearances for the Elland Road club — and won seven Scotland caps — before transferring to Forest for £400,000 last summer.

DAVID NEEDHAM (Defender) David had served Notts County splendidly for 12 years when Q.P.R. paid £100,000 for his transfer in the summer of 1977. But only weeks later Forest went in with a £140,000 bid for his services and last season he was capped for England "B".

BRYN GUNN (Defender) Bryn, who was recently recalled at left-back when Gray was injured, first appeared in Forest's senior side in 1975/76. He had to wait two years for a further, solitary chance last season.

JOHN McGOVERN (Midfield) John was at Hartlepool in Brian Clough's term as manager there and he then followed the boss to Derby, Leeds and Forest. He has been with Forest since 1975 and is now club skipper.

MARTIN O'NEILL (Midfield) Martin was only 19 when he joined Forest from Distillery in 1971 for a total outlay of less than £30,000. Now he is a fixture in the N. Ireland team and he has 30 caps to his credit.

STAN BOWLES (Midfield) Stan joined Forest for £250,000 this season. A one-time Manchester City player, he moved on to Bury and Crewe where he began to establish himself in the early seventies. Carlisle bought him for £12,000 in 1971 and collected £110,000 when he moved on to Q.P.R. a year later. Stan has five England caps.

IAN BOWYER (Midfield) A player of much versatility, Ian has again had to change roles and is often included as substitute. Ian began his career with Manchester City and then served Orient on his way to a £40,000 transfer to Forest in 1973.

GARY MILLS (Midfield) Gary, an England youth international, was only 16 when he made his First Division bow against Arsenal in September 1978 but this season he has played himself into more of a regular place.

JOHN O'HARE (Midfield) John is a former Scottish international, with 13 caps. He began with Sunderland but joined Derby for £21,000 in 1967. He followed manager Clough to Leeds in 1974 but moved on again, to Forest, after only a few weeks.

TREVOR FRANCIS (Forward) Mr. Clough made Trevor England's first £1-million footballer when signing him from Birmingham last season but his European Cup winning goal went a long way towards repaying that huge investment. Trevor, who has played for England 16 times, made his League debut for Birmingham at the age of 16 in 1970.

GARY BIRTLES (Forward) Gary, who had a splendid game in last season's League Cup final, had to wait two years before getting into the side as a regular last season but he lived up to all his potential by scoring 25 goals last season. He has netted 13 times this term, including a hat-trick against W.B.A.

The Programme Game

by ROY CAVANAGH

It's appropriate that as today's look at the "Programme Game" is centred on League Cup issues, we have Nottingham Forest League Cup holders, and, this season's finalists, as our visitors to Burnden Park.

Forest, who play Wolves in a fortnight's time at Wembley, are unbeaten in this competition since September 1976 and, when (or if!) they lose a match in the League Cup that programme is obviously going to be a collector's item of its own!

Although this is a relatively new competition (its first season being 1960/61) it is very hard to obtain the programmes from the first 6 finals, which were all two-legged affairs, and, consequently attracted smaller gates than the 100,000 Wembley crowds.

All the twelve programmes for these games are therefore worth a lot of money today, with, probably the 2 programmes for the 1962 final between Norwich and Rochdale fetching the highest amounts.

1967 saw the first final at Wembley, the game between Q.P.R. and West Brom. ending in a 3-2 win for the then Third Division London Club. The programme for this game was the size of the old "League Reviews" which used to be featured in club programmes, and sold for a shilling on the day of the final.

The last few finals have had a much larger production produced, selling for 40p, this being good value considering all the colour pictures which are included.

Bolton Wanderers in fact were included in these colour pictures in the 1977 final at Wembley, between Aston Villa and Everton, when action from the semi-final game of that season between the Wanderers and Everton at Goodison Park was included.

That of course, was Bolton's best run in this competition to date, with a lone goal at Burnden spoiling Bolton's Wembley dream.

For local supporters all the programmes in that Cup run are collectable items, and indeed, the semi-final programme for the Burnden game is generally on offer at £1.50 nowadays.

Other much sought after Bolton League Cup programmes are the 1967 games with Liverpool, when Bolton defeated the mighty "Anfield Reds" 3-2 after a 1-1 draw at Anfield, and two programmes from 1971, when Bolton, then of Division Three defeated high flying Manchester City 3-0, and the 4th round replay programme of that season, Chelsea who eventually lost to Stoke at Wembley.

The semi-finals of the League Cup, unlike the F.A. Cup, are two-legged affairs, and a programme of one of these semi's which I believe will eventually become the most valuable is the Chester v Aston Villa game of 1975 at Sealand Road. Its cost was 10p on the night of the game, and offers of £7 wouldn't secure a copy today!

Mr. Cavanagh will be giving a talk to the Junior Whites in the near future.

Our World is a Football

There will be a wealth of soccer experience in the Executive Suite for the final Sportsman's Dinner of this season on Monday 28th April.

Guest speakers will be Mr. R. W. (Bob) Lord a director of Burnley Football Club for the past 28 years and Chairman at Turf Moor since 1955. Mr. Lord has served on the Football League Management Committee since 1967 and is now senior Vice President. He is also President of the Lancashire Football Association.

Sharing the honours with Mr. Lord will be Harry Catterick one of the most respected men in football. After a distinguished playing career with Everton stretching from 1937-1951 Harry Catterick was player manager with Crewe before going on to manage Rochdale, Sheffield Wednesday, Everton and Preston North End. Whilst manager of Everton the club won the First Division Championship in 63 and 70, the FA Cup in 66 and were losing finalists in 68.

Guest of honour at the dinner will be a man who needs no introduction to soccer fans. Considered by many to be the greatest footballer ever he holds 76 England caps and scored 30 goals for his country. His name of course is Tom Finney.

This dinner will be an occasion no-one will want to miss and tickets are already going fast. If you want to be part of this great Sportsman's Night book now with Nat Lofthouse, Executive Suite Manager.

First Division Focus

Any manager investing almost £2-million in new players has a right to expect his team to be chasing one of the top honours. And Everton's Gordon Lee still has the chance of picking up the F.A. Cup at Wembley in May. But his big concern is that he could go to Wembley with a club relegated into the Second Division for the first time in 26 years!

Everton suffered the sort of luck many struggling sides experience at Crystal Palace. With only 16 minutes to go they led with a splendidly headed Peter Eastoe goal. But the same player tried an ambitious back pass to his goalkeeper. It was intercepted by Palace striker Ian Walsh who promptly plonked the ball into the net for an equaliser which robbed Everton of what could ultimately prove to be a critical point.

No team has ever won the F.A. Cup at Wembley and suffered relegation the same season, though both Manchester City and Leicester have coupled relegation with defeat in a final. Will Everton follow that pair? That's the question being discussed on Merseyside right now.

Everton, in fact, have played more First Division games than any other club. They were original members of the Football League in 1888 and, since then, have spent only four seasons outside the top section.

Since the end of last season, Everton have signed goalkeeper Martin Hodge (from Plymouth £190,000), defenders John Gidman (Aston Villa £650,000) and John Bailey (Blackburn £300,000) plus midfield men Asa Hartford (Nottingham Forest £500,000) and Gary Stanley (Chelsea £300,000). That's a grand total of £1,940,000.

Against this Mr Lee has picked up exactly £1-million in sales --- Colin Todd (Birmingham £250,000), Martin Dobson (Burnley £100,000), Dave Thomas (Wolves £400,000) and Mike Pejic (Aston Villa £250,000).

But, with Derby showing signs of revival following their 2-1 win over Spurs, Everton's costly team faces the prospect of returning to the Second Division for the first time since 1954.

When Everton take up their F.A. Cup challenge next Saturday they will be at home to Ipswich Town, the side that crushed them 4-0 in a League game a couple of weeks ago. But Gordon Lee says: 'I think we can beat them this time. On that day everything went for them and I don't think they can repeat that performance.'

Nevertheless, Ipswich remain on top form. By drawing 1-1 at Liverpool they set up a new club record of 15 undefeated games. They had luck on their side at Anfield as Terry McDermott missed a late penalty for Liverpool. Or, more correctly, his shot was saved by goalkeeper Paul Cooper. "That's the sixth penalty I've saved of the last eight taken against me," beamed Cooper afterwards.

Manchester City Steve Daley seems to be suffering from his £1½-million price tag, perhaps unfairly bestowed upon him when he left Wolves. Steve was dropped from City's 0-4 defeat at Nottingham Forest and commented afterwards: "At least they can't blame me for this defeat!"

Meanwhile, one of England's other £1-million players was having a field day for Forest. Trevor Francis hit his first-hat-trick since joining the club from Birmingham last season.

Yet another £1-million plus man, Andy Gray, was in the news as Wolves crushed Norwich 4-0 at Carrow Road. He argued --- quite pointlessly it would seem --- about a penalty appeal turned down by the referee and was duly booked for dissent. That took him beyond the 20 penalty-point margin and automatic suspension. We could now be ruled out of the League Cup final against Nottingham Forest at Wembley on March 15th.

Bolton's second-half fighting display at Arsenal deserved a point and brought seathing remarks about his team's performance from Gunners' manager Terry Neill. "After a display like that, the best thing we can do is flee the country!" he joked.

The Arsenal team, in fact, flew off for a mid-season break in Marbella after the game.

Meet the Ref

SEEL, COLIN N. (Carlisle). Started refereeing in 1961 and from local leagues progressed via Northern Regional, Northern Floodlit, Central and Irish Leagues to the Football League full list. Has refereed a number of important League matches and officiated in two F.A. Cup Semi-Finals and an Amateur Cup Final at Wembley as well as Anglo-Italian and Fairs Cup matches in Italy and Spain. Refereed 1979 Challenge Vase Final.

He is married with two daughters. Keen on gardening, and enjoys all sports and fell walking. Serves on several local football and refereeing committees.

How to get there

Fans travelling to Crystal Palace for the Wanderers' game are advised to take the following route.

Leave Bolton on the Farnworth and Kearsley By-pass to junction of M62 (Warrington). Join M6 and travel south to junction with M1.

Continue south to London joining A41 Ring Road. Then A202 Vauxhall Bridge, A23 turning left into B266 Brigstock Road.

Turn left again into Whitehorse Lane and the Crystal Palace ground, Selhurst Park is on the right.

Coach drivers should stop outside the ground in Whitehorse Lane outside the main entrance. Supporters will then be advised by police before they leave their coach the appropriate entrances to their ground and where to rejoin the coach after the game.

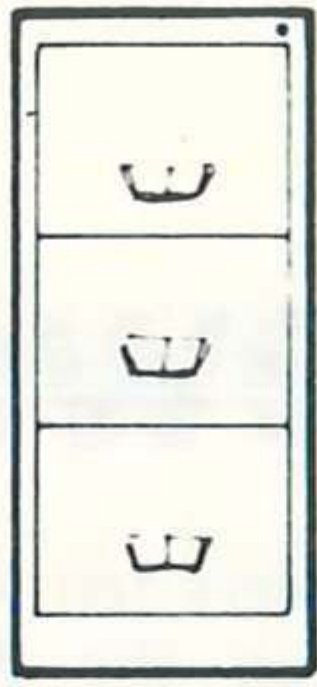

Wanderers Travel Club

Travel facilities to away games are again available through the official Wanderers Travel Club to members who produce their membership card when booking and carry their card on all coach or rail trips.

Membership of the Travel Club for the coming season is now being accepted by the promotions office and costs just 50p for the year (free for agents).

A passport size photograph is all that is required along with the membership fee. Support your team and follow the Wanderers with the official Travel Club.

But remember — membership does NOT guarantee a seat. You must book early in the week to be sure of travelling.

Alan Gowling's Junior Whites News

Hello Junior Whites

I had an important date last week with nine year old Junior White, Jason Alan Carter, in the Executive Suite

Jason sent in the winning entry for the competition we set at the Arsenal Cup game. You remember we asked over the loudspeakers: "How many times have Arsenal and Bolton Wanderers played in the F.A. Cup Final and how many times has each team won the Cup."

The answer, of course, is Bolton have four wins from seven appearances and Arsenal five wins from ten.

It was my pleasure to hand Jason his prize of two singles on the GTO record label — The Dooleys new single 'Love Patrol' and the New Musique hit 'Living by Numbers'.

By the way, if you are a Dooleys fan you can see them every week on the Jim Davidson TV show.

Don't forget the first official Bolton Wanderers Programme Fair on Sunday March 23 in the Executive Club. Admission for juniors is just 10p so tell all your friends.

And finally, this week, can I remind you that membership of the Junior Whites is now due for renewal. Contact Margaret in the Executive Club or by telephone 29433. If you're not yet a member I look forward to welcoming you.

Enjoy your Bolton football,

Alan Gowling
